CURRENT TRENDS IN PHYSICS

14th March, 2017

Sponsored by Govt. of West Bengal

Organized by

Department of Physics
Raiganj University
Raiganj - 733134

Organizing Convener: Dr. Sakuntala Gupta
Head, Department of Physics, Raiganj University

About the Department

The Department of Physics had started its journey in the year 1957 when Raiganj College was under the governance of Calcutta University. The Honours Course in Physics was introduced in 1968, after the acquisition of the college by North Bengal University in the year 1960. The Post Graduation studies in Physics have been started in the year 2015, immediately after the upgradation of Raiganj College (University College) to Raiganj University. The department continues its sincere efforts towards higher education as handed down by the predecessors.

Theme of the Seminar: The objective of the seminar is to bring the distinguished faculty members and dignitaries, research scholars and students on a common platform to share their experience for the development of research activity in different domains of Physics and Applied Physics.
